

Evaluation of Recorded Supervision Session [ERS]

Outline of the context to accompany the recorded supervision session

Please record here a paragraph describing the stage of supervision at which the session is taking place, your relationship with the supervisee, the supervisee's level of experience, a brief comment on the practice setting, and any other history you may consider relevant to assist the evaluator in understanding the session context

Some points to consider:

*	' supervisee	registration	status	(i.e. psyc	hologist, ei	ither provis	sional or	full	registration	∩)

* relationship with supervisee (e.g. ongoing supervision, one-off, colleague)
* work context (e.g. organisation, type of clients)

work cornext (e.g. organisation, type or olionis)
